Parking

The car park at GHC may become congested at times. Additional parking is available on Lake Domain Drive.

The Warm-up area

The Warm-up area at the south end of GHC is available to teams under the supervision of their coaches for 30 minutes prior to the start of their game. In the interests of safety, players should not warm up on the concrete. The grassed areas should also not be used as grass and mud are easily picked up your shoes and then transported onto the turf thus destroying the playing surface.
