1. INTRODUCTION

1.1. These By-laws are the rules under which the Waikato Hockey Association (WHA) - Senior Division (WHA-SD) Club competitions will be run. These rules shall override any previous rules.

2. AMENDMENTS

2.1 The WHA-SD may, at its discretion, make amendments to these By-laws at any time.

3. CLUB AFFILIATION

3.1 Club's will be required to register and re-confirm their registration with WHA at the start of each season, as per the prescribed format by WHA.

3.2 Annual entry fees shall be set by the WHA prior to the commencement of the season. There will be no refund of fees for teams that withdraw after the commencement of the season.

3.3 Affiliation Fees will be invoiced in three separate amounts as determined by the WHA. Any Club with a difficulty in making these payments must make an individual approach to the WHA CEO to make suitable arrangements.

3.4 New Clubs seeking affiliation to the WHA-SD competition shall be at the discretion of the WHA-SD. Applications must be received prior to closing date for team entries.

3.5 Closing date for team entries will be set by WHA-SD in consultation with the WHA Hockey Manager.

4. REGISTRATION OF PLAYERS

4.1 To be eligible to be registered with a Club for the Senior Club competition a player must be year 11 or above at High School (or equivalent) to play in the Premier Division and year 10 or above in all other divisions. SD reserves the right to request proof of the player's age.

4.2 Promotion relegation will be automatic at the end of all rounds between all Reserve Divisions.

The winning team goes up a division and the losing team goes down a division. (NO PLAYOFF GAME). The above will be upheld and end of year position can impact following year position.

4.4 No player shall belong to more than one affiliated Club or Association at the same time.

4.5 Registrations with WHA-SD are valid for the current calendar year only.

4.6 No player may be registered in more than 1 team (except under rule 5.7 Goalkeeper wishing to play as a field player in a lower ranked team).

4.7 Should any Club fail to secure the registration of any player(s) in accordance with these Rules, Penalties shall be incurred as per 13.1.

4.8 Affiliated Clubs shall complete the official registration for each of their teams, in the format as prescribed by WHA at season start. Association will then accept or move teams, to balance competition as required

4.9 Approved teams will be required to register their squad members, with all required details, no later than or as per date set by the SD and the WHA hockey manager. Any Club failing to register its players by this date may forfeit all competition points from that date until it complies, unless the WHA-SD decides otherwise.

4.10 Each Club must register at least 15 players including a goalkeeper in each team. There is no limit on the maximum allowable number of players per team. Any changes throughout the season, under special circumstances, can be made by applying to the WHA-SD Committee for approval.

4.11 A player registered in a team may not play in a team below their team's ranking and may only play in their club's team ranked immediately above their own (the "promoted player"). Every Club must ensure that the promoted player who plays in the higher ranked team has an asterisk (*) marked beside the promoted player's name on the scorecard. Any Club wishing to have a player play in a team that is ranked by their club more than one ranking higher than the player's registered team must make a request to SD for dispensation, outlining reasons for the request. Dispensation to play is at SD's discretion.

FOR EXAMPLE:

Green Club has four teams in the women's competition.

They are ranked A,B,C,D

Players in team D can only play up into team C.

If Teams B and C are in the same grade then players in team C can still only play up one ranked team into team B. They may NOT play up a grade into team A.

4.12 Player registrations and transfers e.g. Club to Club transfers, Association to Association transfers, or new player registrations, or special requests for changes, may be submitted at any stage throughout the season, with the exception of the last three weeks of the Championship final round before semi-finals.

5. GRADING

5.1 Open Grades shall be Men - Premier, Reserve 1, Reserve 2 and Reserve 3, Women – Premier, Reserve 1 and Reserve 2 Division. The number of teams in each grade shall be decided by the WHA-SD Committee.

5.2 The WHA-SD Committee shall determine the grade in which each team shall compete (following recommendations from the Clubs) and may also determine in which grade any registered member of an affiliated club shall play.

5.4 Should it be necessary to change the number of teams in any grade, the positioning of any team in any grade shall be at the discretion of the WHA-SD. In reaching a decision, two or more teams may be required to play grading game(s).

5.5 Teams are ranked within a club

a) Club teams must be ranked A, B, C, D etc from the top team down irrespective of the grade they play in.

b) Players may not play in a lower ranked team, even if that team is in the same grade.

5.6 No player, having been registered in a team, shall be permitted to transfer to a lower ranked team during the current season without the prior permission of the WHA-SD. No re-grading will be permitted within the last three weeks of the Championship final round before semi-finals. (Refer rule 4.10)

5.7 In cases where a goalkeeper registered in one grade wishes to play as a field player in a lower grade, Clubs must seek written approval from the WHA-SD. Goalies that are granted field player dispensation may only play in the team for which they are nominated.

5.8 Clubs must have a development team to be eligible for the Premier grade.

5.9 WHA-SD policy will be that players participating in Club competition teams may play only in same-sex teams. Prior approval from the WHA-SD needs to be obtained for women to play in the men's competition.

6. TRANSFERS

6.1 If a player is transferring from another Association, clearance from that Association must be obtained before registration will be accepted.

Clubs will request transfer through local form (link from the WHA website Senior tab)

- If local transfer WHA will contact relevant clubs and approve/decline
- If inter association WHA will enter the request into HNZ form and find out status and pass on to relevant parties.

No player may take the field for another Association/Club until the transfer form has been completed.
