

WAIKATO HOCKEY ASSOCIATION

Junior Division

(Incorporating Secondary, Intermediate and Primary Schools competitions)
By Laws - Competitions and Playing Conditions
(for 2021 season)

Preface

Waikato Hockey Association's ('WHA') mission is *"To provide an environment for the enjoyment, growth and development of hockey for all in the Waikato region."* The WHA Junior Division Committee ('JD') is responsible for organising hockey for players from new entrants through to and including year 13 students.

JD understands and acknowledges the many differing reasons that players, their parents, coaches and schools participate in sport. JD aims to facilitate WHA's mission for each and every person wanting to play hockey.

These bylaws:

- covers players and teams aged from as young as five years old through to and including up to 18 year old players;
- encompasses 'social' and the most competitive players and teams;
- covers teams from all types of schools including small, large, urban and rural schools as well as home schooled children and teenagers;
- are provided to create a playing environment that is enjoyable and fair for all players and teams.

It is the responsibility of each team's coach and / or manager to ensure their teams comply with these bylaws.

JD also understands that, due to a schools specific circumstance, these bylaws may impact on the ability for schools to provide hockey to all players. Where required, JD will consider appropriate dispensation of, or exemption from, these bylaws to ensure schools are able to enter teams and to also field full teams for specific games.

- If known in advance, dispensation should always be sought (in writing/email) prior to the event, whether for a whole season or specific games.
- In 'emergency' situations, dispensation can be granted after the fact – JD will support good sensible decisions made by coaches / managers where prior approval is unable to be obtained.
