Age requirements

- LOWER LIMIT (U15 & U18) Age requirement for Secondary Grades, MUST be year 9 OR 13 years of age (as 1st January 2021).
- U18 OPEN (upper limit must be U18 as at 1st January 2021)
- U15 (upper limit, U15 as at 1st January 2021)

U15 grade

- To protect and continue to encourage our younger secondary school students to keep playing hockey.
- As all our intermediate hockey is now half field, Waikato Hockey find it appropriate to have a dedicated grade where players can learn the full field game.
- Encourages schools to work on player development. A team that specifically caters to younger players is better for their development.

U18 grade

- The U18 grades are U18 “open” this means all students from year 9-13 can play in the U18 grades. There is also no rule that you have to enter teams into the U15 grades. For schools that have the player numbers we believe it is beneficial have U15 teams but those decisions are up to the school.
- **CHANGE:** No longer allowing for U18 with no school affiliation requirement due to WSSSC decisions.

6 aside

- **6 aside** social (mixed teams, all U18), no goal keeper. Same rules as Adult 6 aside.
- Will run if there is enough entries (and turf space). Aimed at providing an opportunity for smaller schools or schools with excess players. This grade will have adapted rules to provide a safe environment.

- U18 1st (min 13 players per team)
- U18 2nd
- U18 3rd
