# SAFETY POLICIES

The following policies can be found on [www.hockeynz.co.nz](http://www.hockeynz.co.nz).

## **HARASSMENT POLICY**

In providing a safe and secure environment for participation in hockey, providers should ensure to the best of their ability players and officials are not subjected to any form of physical, psychological or sexual abuse as a result of their association with hockey.

## **ANTI DOPING CODE**

Hockey NZ supports the New Zealand Government, Drug Free Sport NZ, the FIH and the IOC in the development of national and international initiatives to deter the misuse of drugs in sport. It recognises the need to take strong and positive action to reduce harm to the individual and to the sport, and to educate and inform those persons and organisations whom this policy applies.

## **HEAD INJURY POLICY**

At all Hockey New Zealand tournaments, Hockey New Zealand insists that a player that has received a head injury with suspected concussion may only commence playing again when a medical certificate clearing the player of concussion has been supplied to the Tournament Director, or Tournament Administrator.

## **CODE OF CONDUCT POLICY**

This policy outlines the standards of discipline and behaviour expected of players, coaches, managers, officials, umpires and player spectators in accordance with the rules of Hockey NZ. The Code of Conduct Policy also outlines the process to hear any allegations of misconduct.

## **MOUTH GUARD POLICY**

It is now mandatory for all players taking part in Hockey NZ Youth Tournaments to wear mouthguards. Hockey NZ strongly recommends the wearing of mouthguards by all players at all tournaments. Managers of all teams are to control the use of mouth guards, not the umpires.

## **SMOKEFREE POLICY**

Hockey is a smokefree sport. We proudly endorse the Smokefree/Auahi Kore message as part of promoting healthy lifestyles to our members. This tournament is totally smokefree, inside and out.

**We appreciate you respecting our philosophy.**

**President Hockey New Zealand  
Pam Elgar**

On behalf of Hockey New Zealand, we would like to extend a warm welcome to everyone attending Secondary Schools Tournament in 2022.

Many of you would have been very disappointed in not being able to attend the last few years due to COVID19.

Secondary Schools Tournaments are a highlight on the New Zealand hockey calendar and being selected to represent your school is truly something special. All the hard work you have put into your skill development, your fitness and your teamwork will all come together this week.

As you will have seen watching the recent Commonwealth Games even with the best preparation and the desire sometimes, we don't achieve the outcomes we want. So, I ask you to focus on what you can control – prepare yourself well mentally and physically, bring a great attitude and positive mindset with you to the turf and play not only for yourself but for your teammates. Do the basics well and support each other on the field. Play the game plan your coach has devised and work together.

Remember you are there representing your school, your parents and coaches all want you to have fun – make them proud by doing your best both on and off the field.

Many people work very hard behind the scenes to make a tournament run smoothly – don't forget to thank the umpires after the game and all the ball people, your coach and manager, your parents and the many working at association level to make it work.

A massive thank you for Hockey New Zealand to the local Associations and the people organising the tournament. Ensuring the smooth running of a week like this is no small feat and we want to thank you for all the effort that you put into making weeks like this become a massive success.

Pam Elgar President,  
Hockey New Zealand

Waikato Hockey Association (Inc) President's Welcome

Tēnā Koutou

As one of my first formal tasks as newly appointed President of Waikato Hockey Association, it is an honour and a privilege to extend the warmest of welcomes to all players, coaches and managers, umpires, and officials and all the supporters, in particularly, the parents and caregivers to the 2022 OLYMPIC STICK and the MARY CLINTON tournaments.

These two events will run co-jointly here at Waikato Hockey and brings 13 female and 15 male secondary school hockey teams, providing the players the opportunity to play, compete and develop friendships from schools all over New Zealand.

This tournament will give players the chance to learn the values and benefits of participation, competition, and fair play in a sporting environment. It will also see many friendships develop through the game of hockey and these friendships are long lasting and a tribute to the positive hockey community that we play in and continue to play in over the coming years.

I would like to take this time to offer my sincere appreciation to Andrew Brydon the Tournament Director, Brett Sanders the Tournament Administrator, our CEO Craig Webber, along with the many tournament volunteers that enable this tournament to run. Without their support and dedication to the game of hockey it would not be possible to run a tournament of this size successfully. Thank you! We are very grateful for all your time and effort.

These tournaments would not be able to take place if it were not for the many teachers and people who volunteer and give generously of their time to coach, manage and administer these teams. Thank you for all you do that enable these students/players to play.

To the umpires and match officials. Your time, effort, skill, and dedication are what allows us to play the game of hockey. So, thank you for all you do to enable these tournaments to take place.

Finally, on behalf of the Waikato Hockey Association, I wish every player and team the best of luck for the tournament. Enjoy the game, play hard but fair, be respectful to each other, the umpires, all officials, parents, caregivers, and all spectators.

Enjoy your week and the hospitality of the Mighty Waikato and surrounding regions.

No reira, tena koutou, tena koutou tena tatou katoa

Ngaa mihi nui

Robyn Polley (President of the Board)
